The purpose of National Philanthropy Day is to recognize the great contributions of philanthropy—and those active in the philanthropic community—to the enrichment of our world. On this special day in the Quad Cities, we reflect on the meaning of giving and all that it has made possible. AFP-QC chapter’s Community and Professional Awards ceremony is the capstone of our local celebration of National Philanthropy Day. It is also the opportunity to celebrate AFP International’s 50th Anniversary year. Thank you for making nominations for consideration for this year’s celebration.
