The AFP Quad Cities Chapter Board of Directors had a retreat on January 23. We reviewed the goals of the strategic plan and set up the committee structure for this year. After reviewing the strategic plan it was very encouraging to see the progress that was made last year on achieving the goals within the plan. The board continues to set goals and strategies in order to move our chapter forward in many areas.

I would like to take a moment to thank Tracy Larson for her work as our Chapter Administrator. Her continued support has been a huge step in providing consistent communication to the members and board. Her services have been donated through the support of BMG Associates, Inc. Thank you Ray and Ron for your continued support.

Please consider getting involved this year on one of the committees. The names of the committee chairs and their contact information are included within this newsletter. If you have any questions regarding the committees, please feel free to contact me anytime at 355-4310. You will find your involvement on a committee worthwhile in so many ways.

Margaret Lewis  
President, Quad Cities Chapter
