I have received a lot of excellent feedback concerning Pro Bono Day. I hope that if you were able to attend the day that you have already started implementing at least three strategies that you heard about at one of the sessions.

Thank you to Kristy Ketcham and Marcia Green for volunteering to co-chair the event this year. All of their hard work and hours of time are greatly appreciated. Thank you as well to the committee members that worked on the day. Thanks!

If you are interested in serving on the Pro Bono Committee or any other committee, please let me know. All of the committees are busy making plans for upcoming programs and events. Your involvement on any of the committees would be appreciated. Please consider working on a committee this year. It is a great way to get to know fellow AFP members.
